PERSONAL AND GENERAL. The Chesapeake, Ohio and Southwestern Paducah, Ky., for large freight and passen-ger depots. The site is over a halt block. Sturday, Russell Sage obtained judgment in the sum of \$1,259,213 against the Memphis and Little Rock railroad, as reorganized. General Manager Sibley has been appointed

line runs through the center of its chief street, and on each side is a population of 3000. It is considered the gateway of the Southwest. It is only eight years old, but has all the airs of a city of twenty-five years. Four railroad lines center there, it has an Italian-like cli-mate, tramps are not tolerated, the Sunday aw is enforced, money is plenty, and the people are prosperous.

The Pennsylvania railroad owns, leases and controls 3271 miles of railroad east of Pittsburg and Erie, and 406 miles of canala and ferries. In Pennsylvania it has 2501 miles of railways and canals, in New Jersey 621, Maryland 278, Delaware 149, New York 701, Virginia 37, West Virginia 12, and Dis-trict of Columbia 8. It also leases, operates and controls 3590 miles west of Pitts-burg and Eric, 251 of which are in Pennsyl-vanis, 1242 in Ohio, 1365 in Indians, 386 in Illinois, 322 in Michigan, 31 in West Vir-ginia and 3 in Kentucky.

Little Rock Democrat, Monday: "We learn that the contractor for the three-mile section lying north of Forrest City, of the Knobel branch of the St. Louis and Southern rail-road, broke dirt there to-day. The junctions, the latter Ohio and Mississippi. A general advance of \$\frac{1}{2}\text{in per cent.}\$ leading therein, the point at which the grading begins, lies a few rods east of the crossing where Washington alreet intersects the Memphia and Little Rock railroad. Another gang begins work to-day at Caldwell's Mill—seven miles north of St. Francis county—coming south. Although the contract between the road and the business men of the fown reads that it will reach the Memphia and Little Rock road by the 1st of October, yet Calonel Mosting from 1 to 1½ per cent. In final dealings some shares recovered a small fraction, but the market in the market in the market in the market in the same of the fown reads that it will reach the Memphia and Little Rock road by the 1st of October, yet Calonel Mosting from 1 to 1½ per cent. In final dealings some shares recovered a small fraction, but the market in the small fraction, but the market in the market in the learning form 1 to 1½ per cent. In final dealings some shares recovered a small fraction, but the market in the small fraction, but the market in the small fraction state. The lake Shore directors statement shows that the company earned less in reality, and one on paper (the Forrest in reality) and one on paper (the Forrest in reality) and one on paper (the Forrest in real Little Rock Democrat, Monday: "We learn irregular, but prices in the main were 1/201 per cent. lower than yesterd y's closing quowill they could make their beautiful little Death of a Promisent Rathroad Man.

CHICAGO, June 27 .- Amos T. Hall, a prominent citizen, and secretary of the Chi-cago, Burlington and Quincy railroad, died last night.

MURPHY & MURPHY,

General Insurance Agents,

No. 6 Madison Street,

.....Tennesse Only the best companies. Ginbouses and AGUE CURE. A Vegetable Product, Only used in AYER'S AGUE CURE, has

proven itself a never failing and rapid cure for every form of Malarial Dis-order, Fever and Ague, or Chills and Fever. No injury follows its use, and its effects are permanent. It rouses the system to a condition of vigorous health, cleanses the blood of malarial poison, and imparts a feeling of comfort and security most desirable in Ague districts. It is an excellent tonic and preventative, as well as cure, of implaints peculiar to malarious marshy and miasmatic regions. The great superiority of AYER'S AGUE CURE over any other compound is that it contains no Quinine, Arsenic, or mineral; consequently it produces no quinism or injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

The direct action of Ayen's Ague CURE upon the Liver and Digestive Organs makes it a superior remedy for Liver Complaints, producing man remarkable cures, where other medi

Charles M. and Jose Postal are her clerks. GENERAL NEWS.

The John Peterson and barges passed up The Oakland, with a loaded barge and nel barge, passed South yesterday.

The Fannie Dugan, a recent purchase for service in St. John's river, Florida, passed down yesterday w.thout landing. The City of Vicksburg added 10 tons and left for Vicksburg on time yesterday morning. The City of Greenville cleared on time for St. Louis, adding but little here. The John A. Scudder got in from St. Louis vesterday afternoon with 1400 tons, and after adding a lot of hay and other freight, passed on down for New Orleans. The Andy Baum took on 545 bales of cot passengers, and left for Cincinnati at her usual hour. The Mary Houston passed up for the Ohio early yesterday morning, four days and a half out from New Orleans, with 300 tons

of freight and a good trip of passengers. She discharged a small lot of freight and added

as best he can as long as the government will permit the service to be kept up. This will be good news to our friends up St. Fran-

the outside world by the withdrawing of the service from that stream.

For Illustrated Guide Book, through passenge and freight rates, apply to Little Rock Gazette, Monday: "Oa July lst, next, mail service by steamboat will be placed on the St. Francis river from Memphis, Tenn., to Luster's Landing, Ark. The service will be once a week, and a great accommodation to planters along the St. Francia, Mr. M. C. Wilson, chief clerk of the railway mail service of this State, will leave here to-day for Memphis to complete arrangements for the service with the steam-

The Andy Baum had a splendid trip of passengers out for Cincinnati yesterday evening, about forty in number, most of them ladies and children, making their annual summer excursion. Among them were the following Memphis people: Mrs. Brooks and children, Mrs. Hadedau and child, Misses children, Mrs. Hadedan and child, Misses Jennie Morrison, Florence Acree, Mattie Bar-row, Nellie Barrow, Mrs. Ioa Botto, Misses Mary Shouse, Annie App, Nettie Danhierser, Ida Rowe, Mr. and Mrs. Roper, Mrs. Mark Clark, Miss Sada Mead, Miss Sims, Mr. Mc-Kinney, Miss Fanny Agin, Mrs. L. Hamner, Mr. and Mrs. E. T. Norton and W. G. Chase. Bismarck Tribune: "No one could b charged with being an alarmist if he leared a flood in the upper country similar to the recent floods in the Southwestern States. The recent floods in the Southwestern States. I mountains and valleys of Montana are st covered with deep snow; the booming wate in that Territory are already doing mu damage. The Yellowstone river is 11 fe above low water mark, and still rising. I Missouri at Benton is bank-full, and y there is no sign of the freshet subsiding, few days of rain would year margarily. few days of rain would very naturally

crease the disasters of the flood now raging above in our sister Territory. From all accounts the tide in the river at this point has not reached its hight by several feet. Moutana is drained by the two great rivers which join their waters at Fort Buford, and as all their tributaries in that region are on the rampage, the freshet already raging in the Eig Muddy will, of course, be increased." WEATHER AND RIVERS.

OFFICE SIGNAL SERVICE, U. S. A., MEMPHIS, TENN., June 27, 1882. The following observations are taken at the ame moment of time (1:08 p.m.) at all the
